

Job Seeker User Guide

Creating an account in the recruitED service

- 1 Click on the register button at the top right-hand side of the window.

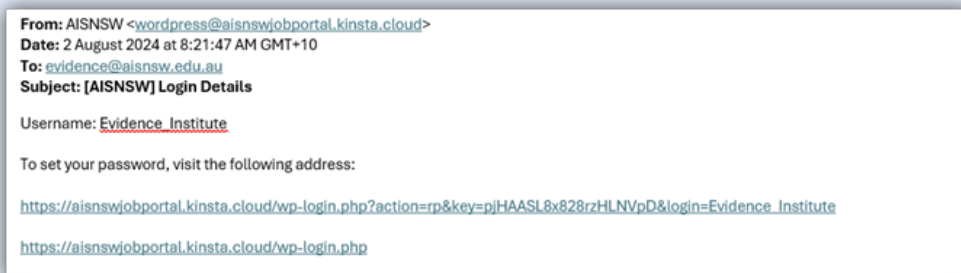

- 2 Enter your desired Username and current Email Address.

! We suggest that you do not use your email as your username.

- 3 You will receive an email that looks like this.

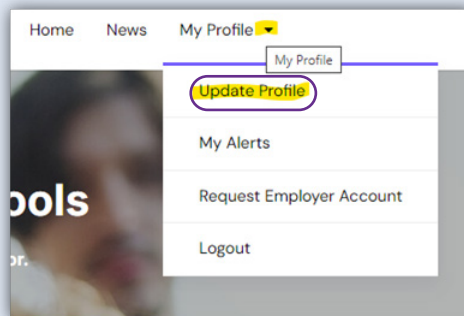

Click on the link in your email to set your password.

- 4 Once you have created a password, log into your account.

Managing your profile

- 1 At any stage you can make updates to your profile by clicking the My Profile button.

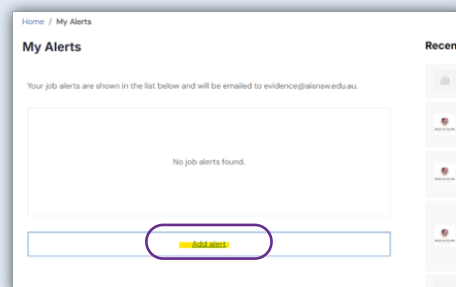

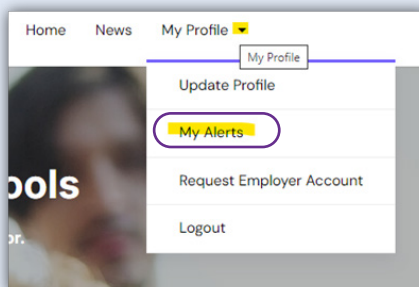

- 2 There are several settings you can update including your email address and resetting your password.

It features several sections: 'Admin Color Scheme' with radio buttons for 'Default', 'Light', 'Modern', and 'Blue'; 'Twitter' with a checked box for 'Show toolbar when viewing site'; 'Name' section with input fields for 'Username' (containing 'evidence@aisnsw.edu.au'), 'First Name', 'Last Name', and 'Nickname (optional)'; and a 'Display name publicly as' dropdown menu.A screenshot of the 'Contact Info' settings page. It includes an 'Email (required)' field with the value 'evidence@aisnsw.edu.au' and a note: 'If you change this, an email will be sent at your new address to confirm it. The new address will not become active until confirmed.' Below this are several empty input fields for 'Website', 'Facebook profile URL', 'Instagram profile URL', 'LinkedIn profile URL', 'MySpace profile URL', 'Pinterest profile URL', 'SoundCloud profile URL', 'Tumblr profile URL', 'Wikipedia page about you (if one exists)', 'X username (without @)', and 'YouTube profile URL'.A screenshot of the 'About Yourself' and 'Account Management' settings pages. The 'About Yourself' section has a 'Biographical Info' text area and a 'Profile Picture' section with a placeholder icon and a link: 'You can change your profile picture on Gravatar.' The 'Account Management' section includes a 'New Password' field with a 'Set New Password' button and a 'Sessions' section with a 'Log Out Everywhere Else' button and the text: 'You are only logged in at this location.'

Setting up job alerts

1 When you are logged in, you can set up job alerts by clicking the My Alerts button, then Add alert.

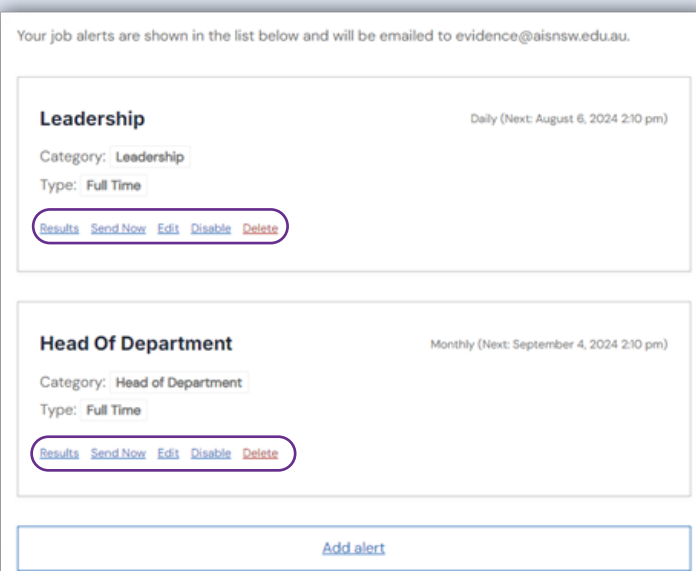

2 You can set up alerts by filtering as per the form.

You can choose how often to receive alerts, job location, category, type or keyword.

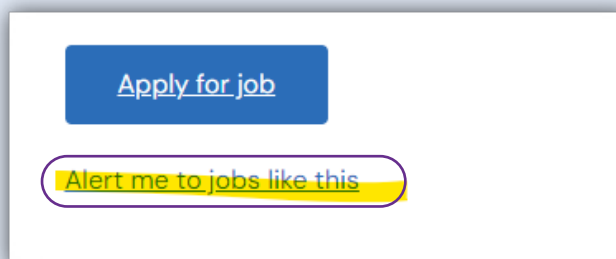

3 Once you have set up an alert, you can return to the My Alerts page at any time and make the following changes:

- See live results
- Send an email with results in real time
- Edit your preferences
- Disable the alert
- Delete the alert.

4 You can also create alerts from specific jobs by clicking Alert me to jobs like this.

This will create an alert based on the requirements of the posted advertisement.

Responding to an advertisement

Once you have found a job advertisement that you are interested in applying for, simply click the Apply Now button.

You will either be taken to the school's HR platform to apply, or an email window will open for you to send any documentation that has been specified in the advertisement.

Sending an advertisement to a colleague

You may find a job that you are not ready to apply for but know a colleague who might be interested in the position.

When you are in the job advertisement, click one of the share buttons that allows you to either email the job directly, or share the advertisement via LinkedIn, Facebook or X (formerly Twitter).
